American copper bangle and brooch by Francisco Rebajes, circa 1945

Sold

REF: 3834

Description

American copper bangle and brooch by Francisco Rebajes, circa 1945.

Francisco Rebajes, an influential mid-20th century American jeweller, was known for his bold, modernist designs. Immigrating from Spain, he combined abstract forms and mixed metals, creating distinctive jewellery pieces that emphasised texture and sculptural elements. Rebajes' innovative approach significantly impacted modern jewellery design, blending artistry with craftsmanship.
