

Progressing strand of 121 natural salt water pearls

£19,500

Description

A very fine Goldsmiths & Silversmiths single progressing strand of 121 natural salt water pearls with an old cut diamond single-stone snap clasp mounted in silver & unmarked yellow gold, with platinum safety chain.

Original 1938 purchase and insurance paperwork from The Goldsmiths & Silversmiths Co., 112 Regent St., London W.1.

Pearls 1.8-6.8 mm diameter. 45 cm long.

With full Gemmological Certification Services analysis and certification. A single pearl has at some point been replaced with a culture pearl as shown in the accompanying certification.
